BASIC INFO ABOUT: CAFÉ UKRAINE

Berliner Stadtmission, a faith-based nonprofit group, created a cultural space for Ukrainian refugees for Berlin's growing expatriate Ukrainian population. The CAFÉ Ukraine, located in a former government building converted to a non-profit center, provides activities for children and adults, Ukrainian food, music and ice breaking opportunities for adults.

There are other [Café Ukraines](#) located all around Berlin, but the one located in Haus der Statistik is the largest and run by Ukrainians. It is important to give Ukrainian refugees the power to build their own initiatives — to feel the sense of home and community they long for.

At each Café Ukraine gathering, around 60 to 150 Ukrainian refugees come to spend time together, but Somalians, Cameroonians, Belarus, Russians, other migrant groups — and Germans — are also coming to Café Ukraine.

We cooperate for the „Café Ukraine Interkulturell“ with partner organisations like [United Action e.V.](#), [Razam e.V.](#), [Litterpicker e.V.](#), and others.
